

Dormy House Wine List

Our aim is to provide a wide range of wines to appeal to all tastes and pockets whilst working with our supplier to source from family run vineyards from all corners of the globe. Some of these have been highlighted in this menu to emphasis their ethos, skills and our relationship with them.

Our list represents the best from both the new and old World and with 40 wines available by the glass and the carafe there is something for everyone and any occasion. Should you need a recommendation just ask.

Finally the usual disclaimer with wine lists: we will endeavour to ensure our vintages are correct but please note there may be the odd change as new vintages are released.

Enjoy.
